S. Birnbaum : Basic Income Reconsidered: Social Justice, Liberalism, and the Demands of Equality (Exploring the Basic Income Guarantee) before purchasing it in order to gage whether or not it would be worth my time, and all praised Basic Income Reconsidered: Social Justice, Liberalism, and the Demands of Equality (Exploring the Basic

Income Guarantee):

Basic income is one the most innovative, powerful and controversial proposals for addressing poverty and growing inequalities. This book examines the arguments for and against basic income from the point of view of economic and social justice.

"The book is full of enlightening argument, and particularly compelling is a method which sets out from a situation in which a Basic Income has been implemented and then studies a situation in which it has been abolished." - Citizen's Income Newsletter "Overall, the book is a major contribution to the liberal egalitarian literature on basic income." - Ethical Perspectives

About the Author Simon Birnbaum is currently a research fellow in the Department of Political Science and Stockholm Resilience Centre at Stockholm University. He was a visiting graduate at University of Oxford (2006-2007). After receiving his Ph.D. in 2008, he has held fellowships at the Hoover Chair of Economic and Social Ethics, Catholic University of Louvain (fall of 2008), Stein Rokkan Centre for Social Studies in Bergen (2009-2010), and the Swedish Collegium for Advanced Study (SCAS) (fall of 2011). Birnbaum's publications have appeared in Politics, Philosophy and Economics, Critical of International Social and Political Philosophy, Mind, Basic Income Studies, Norwegian Journal of Welfare Research, Statsvetenskaplig tidskrift, Tidskrift for politisk filosofi, and several edited volumes. He is an associate editor of Basic Income Studies, a representative of the Nordic Network for Political Ethics, and a member of the International Advisory Board of Basic Income Earth Network.
