An updated version of the best-selling therapist-to-coach transition text. With his bestselling *Therapist As Life Coach*, Pat Williams introduced the therapeutic community to the career of life coach, and in *Becoming a Professional Life Coach* he and Diane Menendez covered all the basic principles and strategies for effective coaching. Now Williams, founder of the Institute for Life Coach Training (ILCT), and Menendez, former faculty at ILCT—both master certified coaches—bring back the book that has taught thousands of coaches over the past eight years with all-new information on coaching competencies, ethics, somatic coaching, wellness coaching, and how positive psychology and neuroscience are informing the profession today. Moving seamlessly from coaching

Beginning with a brief history of the foundations of coaching and its future trajectory, *Becoming a Professional Life Coach* takes readers step-by-step through the coaching process, covering all the crucial ideas and techniques for being a successful life coach, including:
