Gerry Boyce : Belleville: A Popular History before purchasing it in order to gage whether or not it would be worth my time, and all praised Belleville: A Popular History:

This personal history of Belleville, based on Gerry Boyces half-century of research, traces the towns history from its beginnings with the arrival of the United Empire Loyalists, to its ascension as an important lumbering, farming, and manufacturing centre in the 1800s.

ldquo;hellip; a sumptuous smorgasbord of historical fact, vintage photography and engaging narrative. No one professing a desire to learn more about local history should be without it.rdquo; ndash; Lewis ZandbergenFrom the Inside FlapThis personal history of Belleville, based on Gerry Boyce's half-century of research, traces the town's history from its beginnings with the arrival of the United Empire Loyalists, to its ascension as an important lumbering, farming, and manufacturing centre in the 1800s.About the AuthorGerry Boyce's involvement with the Belleville area includes 32 years in education, and key roles in establishing the Hastings County Historical Society and two county museums. Boyce currently serves as Heritage Advisor and workshop coordinator for the Hastings County Historical Societysquo;s Heritage Centre. He lives in Belleville.
