Five StarsBy Sean HollandIt will make you be brutally honest with yourself and move forward with getting the job you really want.3 of 4 people found the following review helpful. A must read!By SpyhopperAs a long time listener of Dr. Bray's podcast, I was very excited to read this book and I was

not disappointed! The chapters are short and easy to read while being packed with incredible information. Although I read the book cover to cover, the structure of the book is such that you can skip around and read what applies to you in whatever order you choose. There is a great blend of action steps, stories, examples, and humor. This is definitely a book that should be a staple in everyone's library! I highly recommend it for everyone and would also encourage those who haven't tuned in before to check out Dr. Bray's podcast. You'll not only benefit from the information he shares, but you'll get a sense of his personality and hear directly from him many of the principles he covers in the book.<sup>3</sup> of 4 people found the following review helpful.
