Keith Richards : Bolivia - Culture Smart!: The Essential Guide to Customs Culture before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bolivia - Culture Smart!: The Essential Guide to Customs Culture:

4 of 4 people found the following review helpful. Just get lonely planetBy sesThis is a useless and somewhat offensive guide to Bolivia. It is written in the tone of a snooty First World traveler who was only here for a short time like 20 years ago, and lacks useful information about actually interacting with Bolivians. Case in point is a quote about driving in Bolivia "Driving in Bolivia is abysmal: the horn is used instead of the brain." I would return this book to , but I don't want this book and its misinformation about this wonderful, beautiful country to get wider circulation. If you want to know more about the culture of or travel in Bolivia, then come with an open mind and the vastly superior Lonely Planet guide to Bolivia.0 of 0 people found the following review helpful. Great Overview to BoliviaBy Eunice

S. WhiteI found this book to be a very brief but highly informative overview of Bolivia. I recommend it to anyone who is planning to go there. It is not a typical guide book in that it does not recommend restaurants or hotels, but it provides a very good overview of the land and its people, which should prove helpful.

Culture Smart! provides essential information on attitudes, beliefs and behavior in different countries, ensuring that you arrive at your destination aware of basic manners, common courtesies, and sensitive issues. These concise guides tell you what to expect, how to behave, and how to establish a rapport with your hosts. This inside knowledge will enable you to steer clear of embarrassing gaffes and mistakes, feel confident in unfamiliar situations, and develop trust, friendships, and successful business relationships. Culture Smart! offers illuminating insights into the culture and society of a particular country. It will help you to turn your visit-whether on business or for pleasure-into a memorable and enriching experience. Contents include: * customs, values, and traditions * historical, religious, and political background * life at home * leisure, social, and cultural life * eating and drinking * dos, don'ts, and taboos * business practices * communication, spoken and unspoken

Culture Smart! has come to the rescue of hapless travellers, Sunday Times Travel - ...the perfect introduction to the weird, wonderful and downright odd quirks and customs of various countries, Global Travel - ...full of fascinating, as well as common sense, tips to help you avoid embarrassing faux pas, Observer - ...as useful as they are entertaining, Easy Jet Magazine - ...offer glimpses into the psyche of a faraway world, New York Times.About the AuthorKeith Richards is at Aston University.
