Judy Goss : Break into Modeling for Under \$20: How to Launch Your Career as a Fashion Model before purchasing it in order to gage whether or not it would be worth my time, and all praised Break into Modeling for Under \$20: How to Launch Your Career as a Fashion Model:

3 of 3 people found the following review helpful. helpful bookBy E. TannenbaumI found the Kindle version of this

book useful, assuming what she says is true (I haven't put her recommendations to the test). I am somewhat disappointed that she doesn't address specialty modeling at all (hand models, foot models) which is what I'm looking into pursuing. But I will extrapolate some of the info here see what happens.0 of 0 people found the following review helpful. Best valueBy jessicatsomeThis is a worthy investment of your time and money. It will give you an advantage by showing you all about the industry of modeling and helps you learn how to market yourself and behave professionally. If you are serious about looking into the industry, buy this book. Don't just read it, study it. Understand it. Because of this book, I am now a model with representation.0 of 0 people found the following review helpful. Packed with Valuable InfoBy C. JonesAn excellent book for anyone thinking of a career in modeling. The author takes you in front of and behind the scenes, and shares her 20 years of experience on both sides: being a model and an agent. It a realistic and practical guide with attention placed on protecting budding models from the pitfalls of this highly competitive industry. She tells is like it is.

There's a popular misconception that breaking into the modeling business requires expensive head shots and other costly investments. Judy Goss, a former Ford model and professional with twenty years in the business, has set out to dispel that myth once and for all, and tell you how you can actually launch your career for \$20 or less. Judy breaks the process down into four simple steps: Preparation, Pictures, Promotion, and Presentation. She gives countless suggestions and tells all sorts of industry secrets, such as how to:* Determine what type of model you are* Take your own pictures at home in the right poses and clothes* Prepare what to say and do at casting calls* Avoid costly scams* And much more.Judy's expert advice will guide aspiring models of any age through the process of finding representation with a reputable agency or manager, and it provides a valuable resource to fall back on even after models start working. This comprehensive, step-by-step guide is the only book you'll need to launch the career of your dreams.
