Marco Casella : Bretton Woods: History of a monetary system before purchasing it in order to gage whether or not it would be worth my time, and all praised Bretton Woods: History of a monetary system:

0 of 0 people found the following review helpful. Three StarsBy normizan bakarbagus sejarahnya0 of 0 people found the following review helpful. TerribleBy JonathanSo badly written and edited that I couldn't get past the first page. should not be selling books like this one.

This book provides a historical background of the monetary system of Bretton Woods, whose conference was held in 1944 in order to establish the rules of the commercial and financial relationships between the main industrialized

countries of the world.
