who has taken the Enneagram and developed effective coaching methods from it! The author knows her Enneagram and gives amazingly detailed guidelines and even partially scripted statements to use to help coach someone to their best selves. I love it! If you are a coach, want to help others, or just want to use it for yourself-you will gain a ton of insight and valuable tools through this book to experience personal growth. 2 of 2 people found the following review helpful. Completely Great! By Ellen S Robinson I've read many books about the enneagram and coaching and this is one of the best. It explains the type structure through the three centers very clearly and usefully. It is consistent with other teachers and their ideas about developmental exercises for certain patterns and reactions. 11 of 12 people found the following review helpful. An important addition to any coaching or Enneagram library! By David W. With Bringing Out the Best in Everyone You Coach, Ginger Lapid-Bogda has given us the third book in her Enneagram in Business trilogy, and this latest gem may be the best of the bunch. Bringing Out the Best in Everyone You Coach is not only a great read but an excellent reference work, a handbook, a manual. It's a helpful guidebook for using the Enneagram to obtain transformative growth in those whose personal and professional development we support. Bringing Out the Best in Everyone You Coach is a great book if you're interested in coaching or the Enneagram. You'll soon find that you're interested in both. Chock full of anecdotes and real-life examples and tools, this book starts out engaging, stays engaging, and creates confidence in oneself as a coach, while building curiosity and excitement about working with others. An important addition to any coaching or Enneagram library!

“Clearly written, well organized, and practical, we predict this will quickly become the standard Enneagram coaching book for years to come.” Don Richard Riso and Russ Hudson, bestselling authors of Personality Types and The Wisdom of the Enneagram Create powerful growth programs tailor-made for each employee! Whether you're a coach, manager, or mentor, the Enneagram System is a highly effective tool for creating self-aware employees that are easy to manage. Enneagram expert Ginger Lapid-Bogda explains how to use the system's nine number types to pinpoint each person's style, tap into his or her strengths, and design customized growth programs for each one. Cross-cultural and proven to be highly accurate, the Enneagram is the ideal tool for creating employees that: Communicate clearly Work more productively Collaborate effectively Make decisions with confidence Take personal responsibility Become better leaders Lapid-Bogda reveals which specific coaching techniques are the most effective based on individual style and provides a clear process for the three types of coaching: short-term, crisis, and long-term. Enneagram development time is shorter than in other programs, and results are clearer and longer-lasting. With Bringing Out the Best in Everyone You Coach, you have everything you need ensure that every employee exceeds his or her goals on a regular basis and contributes valuable talent to the entire business organization.
