## **Hilary Estall : Business Continuity Management Systems: Implementation and certification to ISO 22301**

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Business Continuity Management Systems: Implementation and certification to ISO 22301:

0 of 2 people found the following review helpful. whatBy THOMAS P BANG-KNUDSEN Stop this it's annoying I'm really all I want to do is read the book not supply some lame review0 of 1 people found the following review helpful. A wasteBy Rhonda Allen Short and concise is right. This book was of no real value to me. It was a brief overview with no meat and no explanation of the standard. Save yourself \$35.00 and Google search ISO 22301. You will get better information.

This practical guide is written for organisations that are implementing a business continuity management system and certification in line with ISO 22301. The development of a BCMS requires commitment, time, resourcefulness and management support. This book will fully equip those new to business continuity management or to management systems with survival skills for the ups and downs of the journey. Enriched with checklists, worksheets and invaluable top tips.

If you want to know more about ISO22301 this is the first (and perhaps only) book you need to read.--Lyndon Bird "Business Continuity Institute "An essential read for anyone considering implementation or certification to ISO 22301:2012; practical and insightful.--Russell Price, Chairman "Continuity Forum "This is a great beginner's guide to the ISO 22301 management system. It is short and concise, with the intention of being referred to when required rather than read cover-to-cover.--Mehmet Hurer MBCS CITP "BT "About the Author Hilary Estall has lengthy practical experience in auditing and implementing management systems. She is currently the only IRCA-registered BCMS Lead Auditor in the UK and has 'Specialist' membership status with the Business Continuity Institute (BCI). Hilary runs her own business continuity consultancy company Perpetual Solutions Limited.
