**Florence Isaacs : Business Notes: Writing Personal Notes That Build Professional Relationships** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Business Notes: Writing Personal Notes That Build Professional Relationships:

0 of 0 people found the following review helpful. Professional yet Personal By S. Johnson As a believer in strong business relationships I found this personal touch a useful refinement to my daily business practices. I have always handwritten notes, but this book made some valid points and suggestions. 1 of 1 people found the following review helpful. The Best Business Note book I've come across... By Christa Farr Evans I have many other books but this is the

one I go back to time and again. How-to books in my library are used as inspiration and guidance for writing sound notes. I've found this book to be an outstanding source. Actually, I have the hard copy and the Kindle version :)0 of 0 people found the following review helpful. Great Book!!!By Lavan Alexander IIIThis is a great book if you need help writing small thank you notes for work and personal. Get this book..

Isaacs takes her own advice and offers a very personal and very engaging view of an etiquette practice many would prefer to forget.
