**Tony Granger : Business Protection Simplified** before purchasing it in order to gage whether or not it would be worth my time, and all praised Business Protection Simplified:

In uncertain economic times it is especially important to take whatever measures you can to protect the profitability of your business ndash; taking advantage of the extensive array of insurance policies available, as well as making sure

your financial planning makes use of all the most tax-efficient methods of remuneration, funding and distribution. Business Protection Simplified covers the whole range of options, including "keyman" insurance, credit insurance, health and safety instruments, currency risk, life assurance, employment insurance, and much more. It also addresses tactical and strategic measures which managers can employ to protect their businesses, through sound financial planning, tax-efficient management, and properly constructed employee incentive schemes. Business Protection Simplified is an essential survival guide which should be read by all business owner/managers, however large or small.

"Tony Granger is a leading financial author, and Business Protection Simplified fills a major gap in the corporate planning market place for small businesses." Nick Cann, CEO of the Institute of Financial Planning "At a time of unprecedented global economic turmoil, Business Protection Simplified is an essential read...I have no hesitation in recommending the book to you." Lord St John of Bletso
