**Jerome McKinney : Effective Financial Management in Public and Nonprofit Agencies, 4th Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Effective Financial Management in Public and Nonprofit Agencies, 4th Edition:

0 of 0 people found the following review helpful. you'd have better luck. I bought this book for an "overview" ...By LenoreWhile comprehensive in content, I found this textbook overwhelming and confusing. Perhaps if you're already familiar with some of the topics, you'd have better luck. I bought this book for an "overview" course. In my opinion,

this text is way beyond an overview, and way too much information for one semester. Also, there are too few examples, and way too many "formulas" and details for what I needed.

This analytical volume looks at emerging fiscal trends and introduces the tools for effective financial management to American business professionals in the public, private, and nonprofit sectors. • Provides step-by-step procedures for developing critical measurement indicators • Shares the attributes of a good budgeting system • Covers the new rules of financial reporting in both government and nonprofits • Provides a comprehensive and holistic approach to auditing that shows how to minimize manipulation and increase reliability to users

About the Author Jerome B. McKinney, PhD, is professor of public policy and management at the University of Pittsburgh, director of research in all tax areas for the State of Missouri Department of Revenue, director of financial management interns for the U.S. Department of Health and Education, and assistant professor at the University of Nebraska, Lincoln.
