From Palgrave Macmillan : Emerging Markets and Financial Resilience: Decoupling Growth from Turbulence before purchasing it in order to gage whether or not it would be worth my time, and all praised Emerging Markets and Financial Resilience: Decoupling Growth from Turbulence:

Emerging Markets and Financial Resilience presents a picture of finance research. The issue of financial resilience in emerging markets is apt and timely as emerging countries are faced with the challenge of finding ways of sustaining their current trajectory in shaping the global financial architecture to ensure sustainable growth.
