Lillian Too : How To Make Your First Million before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Make Your First Million:

0 of 0 people found the following review helpful. This book seems ok.By CatherineI thought it was about feng shui. Silly me. It looks like I'll have to do a lot of paperwork to become a millionaire.0 of 0 people found the following review helpful. Five StarsBy olga petryanikGreat Product!2 of 3 people found the following review helpful. Good GuidelinesBy Abdul AlsufianyA lot of people think that there is this one magical book that will tell them HOW TO be a millionaire step by step, and it works. These people have to wake up and smell the coffee, THEN re-read this book; but this time with the mentality that they want to really learn the tricks of the trade on how to become millionaires.This book is a great resource combined with many others. I give it 5-star just so i can fix its ratings a little , i think it deserves an overall of 4-star.

In HOW TO MAKE YOUR FIRST MILLION, Lillian Too combines her canny understanding of the business world, her knowledge of personal financial management and her expertise with feng shui to show you how to become rich beyond your wildest dreams. In simple, accessible terms, she explains the importance of planning, focussed thinking, a

positive attitude and harnessing the powers of luck in order to pave your way to prosperity.

From the Publisher In this outstanding book, Lillian Too combines her canny understanding of the business world, her knowledge of personal financial management, and her expertise in feng shui to show you how to become rich beyond your wildest dreams. In clear, simple language, she explains the importance of planning, focused thinking, a positive attitude, and harnessing the powers of luck in order to pave your way to prosperity. She also spells out the basics of money management, identifies the risk areas, and discusses all the key success factors in building a business or starting one from scratch. And, as a leading authority on feng shui, Too shows you how to gather good fortune from your surroundings. After retiring as CEO of the Grindlays Dao Heng Bank in Hong Kong, Lillian Too went on to make millions as the chairman of a department store group. She later made a second fortune as the internationally best-selling author of such books as "The Illustrated Encycloedia of Feng Shui" and "Lillian Too's Practical Feng Shui." From the Inside Flap Lillian Too has an MBA from Harvard Business School and was the first woman in Asia to become CEO of a bank. In this wonderfully motivating yet practical book, she combines her understanding of the business world, her knowledge of personal financial management and her expertise with feng shui, the Chinese practice of harnessing good luck, to show you how to become seriously rich.
