I chose it because it had such impressive customer reviews, but it was even better than I expected! HOW TO SAVE THOUSANDS OF DOLLARS ON YOUR HOME MORTGAGE was undoubtedly the most valuable reading I've done in a long time. The advice will probably save me money every month for the rest of my life. I am so glad I read it before I completed the mortgage on my first home, I can just imagine the

readers who are writing their second or third mortgages kicking themselves as they turn the pages. IF YOU ARE GOING TO TAKE THE TIME TO READ ANYTHING BEFORE YOU BUY YOUR NEXT HOME, READ THIS BOOK FIRST!!!!0 of 0 people found the following review helpful. A MUST READ FOR FIRST TIME HOME BUYERSBy K MSimilar to another reviewer, before purchasing my first home, I read the following books:-The 106 Common Mistakes Homebuyers Make-100 Questions Every First-Time Home Buyer Should Ask-How to Save Thousands of Dollars on Your Home Mortgage, 2nd EditionThis book provides very useful information and was easy to understand. As others have mentioned, his website is also very useful with free spreadsheets and additional information. Read up and save money!1 of 1 people found the following review helpful. Good Book for Loan Officer Too.By Nathan JamesAs a new Loan Officer and looking for some real world experience i'm looking for some book with some real life advise and experience that i can gain deep knowledge about mortgage.This book give a solid foundation and in depth knowledge that i can't get from other Loan Officer in our company.I will definitely recommend this book to anyone looking for some in depth knowledge and practical way to learn this industry and save money and time for homeowner as well as for new loan officer.i'm getting another one because the first book is fully highlighted.

Find The Home Mortgage That's Right For You Finding the right mortgage can be complex, confusing, and frustrating. But that doesn't mean you have to settle for anything other than the terms you want. This indispensable and newly updated second edition of How to Save Thousands of Dollars on Your Home Mortgage spells out everything mortgage hunters need to know in clear and accessible terms. It covers more loan alternatives than any other book and examines the importance of discount points. It offers complete details on virtually every mortgage option currently available, what advantages each option offers, how to choose the right one for your needs, and how to save money in the process. New information in this edition will help you use the Internet to find a home and get a mortgage, examine automated underwriting models and conforming loan limits, and weigh new shopping strategies. Easy-to-read charts and graphs, helpful sample forms, and numerous examples will help you understand: * First-time buyers programs * APR, buy-downs, reverse mortgages, accelerated payoffs, and zero point loans * Refinancing strategies * Closing costs, lender fees, and other expenses * How to dispute credit report errors and fix credit problems * How to use the Internet for loan analysis

At last, here's a 'how to get a mortgage' book that takes the borrower's side, explaining how lenders earn their biggest profits and how borrowers can take advantage of lenders....This is one of the few 'how to get a mortgage' books that cannot be recommended to highly. It's not perfect (the reverse mortgage section is very superficial), but the insider knowledge makes up for the weaknesses. Home buyers, realty agents, mortgage lenders and homeowners should study this book to understand the real workings of the huge home mortgage industry. -- Robert Bruss, San Francisco Examiner, June 7 1998From the PublisherFew home owners are aware of all the types of mortgages available to them.
