Dieter Christian, Norbert Lüdenbach : IFRS Essentials (Wiley Regulatory Reporting) before purchasing it in order to gauge whether or not it would be worth my time, and all praised IFRS Essentials (Wiley Regulatory Reporting):

0 of 0 people found the following review helpful. The best tutorial book on IFRS I' ever readBy KONSTANTINOS PETALAKISThe best tutorial book on IFRS I' ever read.Simple, to the point, fast read with references to the IFRS paragraphs and with so many examples that makes it impossible to misinterpret the theory.

Gain a deeper understanding of financial reporting under IFRS through clear explanations and extensive practical examples.IFRS can be a complex topic, and books on the subject often tackle its intricacies through dense explanation across thousands of pages. Others seek to provide an overview of IFRS and these, while useful for the general reader, lack the depth required by practitioners and students.IFRS Essentials strikes a balance between the two extremes, offering concise interpretation of the crucial facts supported by a wealth of examples. Problems and their solutions are demonstrated in a manner which is short, straightforward and simple to understand, avoiding complex language;

jargon and redundant detail. This book is suitable for students and lecturers at universities and other educational institutions, auditing and accounting trainees, and employees in the area of accounting and auditing who seek to develop their practical skills and deepen their knowledge of IFRS.

About the Author Dr. Dieter Christian is a lecturer at the Vienna University of Economics and Business, several other Austrian universities and various private seminar companies. He is an author in the area of IFRS and Austrian GAAP. He was formerly a Senior Manager and head of the department for IFRS and Austrian GAAP at BDO Austria and also worked in the IFRS department for PricewaterhouseCoopers in Austria. He has a Doctorate in Business Administration and an MBA from Vienna University of Economics and Business. He is a Member of the IFRS working group of the Austrian Financial Reporting and Auditing Committee (AFRAC). Dr. Norbert Lüdenbach is a tax advisor and chartered accountant, and is Head of the IFRS Department of BDO Germany. He is an author of commentaries on IFRS and German GAAP as well as being a lecturer at the University of Freiburg (Germany). He is also the publisher of a practice-oriented German IFRS journal which is published on a monthly basis.
