From Palgrave Macmillan : In the Grip of Transition: Economic and Social Consequences of Restructuring in Russia and Ukraine (Studies in Economic Transition) before purchasing it in order to gage whether or not it would be worth my time, and all praised In the Grip of Transition: Economic and Social Consequences of Restructuring in

Russia and Ukraine (Studies in Economic Transition):

This book provides a detailed picture of the equity and efficiency of economic restructuring, focusing on the two most important successor states to the Soviet Union. Analysis is based on a careful examination of micro level data, documenting the experiences of workers, households and firms.

About the Author
TILMAN BRUHN is Head of the Department of Development and Security at DIW Berlin (German Institute for Economic Research) and Professor of Development Economics at Humboldt-University of Berlin, Germany. He is also an IZA Research Fellow and a Visiting Researcher at the Institute of Social Sciences at the University of Lisbon. His research interests include the behaviour and well-being of individuals and households experiencing situations of extreme risk in developing and transition economies. HARTMUT LEHMANN is Professor of Economic Policy in the Department of Economics at the University of Bologna, Italy, and Program Director of the IZA research area 'Labor Markets in Emerging and Transition Countries.' He is WDI fellow and an IZA fellow. He is also a Senior Consultant to the World Bank and has been a consultant to the ILO, the OECD and the UNDP.
