One StarBy CustomerThis book was written by a journalist who demonstrates a lack of understanding of the technology he discusses.0 of 0 people found the following review helpful. Five StarsBy Charles L. GoldsteinExcellent but sad book.0 of 1 people found the following review helpful. Not bad,

informative but a bit dryBy nonameThis was a pretty good read both on the history of coal use in the US and the formation of labor unions and their relationship with business government. The book may be of limited interest unless you have a specific interest in the subject or areas of PA/W. VA.
