VINAY SUDHAKAR KSHIRSAGAR OMKAR VINAY KSHIRSAGAR : INR-USD Forecast: An Innovative Thought before purchasing it in order to gauge whether or not it would be worth my time, and all praised INR-USD Forecast: An Innovative Thought:

This book throws light on various factors/determinants that have a direct or indirect connection with the currency

exchange rate, that is, the Indian Rupees vs the US dollar. Additionally, factors such as interest rate, growth rate, inflation have been explained in detail with appropriate examples and graphical representations, providing a clear picture of the whole scenario on how these factors influence the currency exchange rate, both positively and negatively.
