Richard Denny : Succeed For Yourself: Unlock Your Potential for Success and Happiness before purchasing it in order to gauge whether or not it would be worth my time, and all praised Succeed For Yourself: Unlock Your Potential for Success and Happiness:

1 of 1 people found the following review helpful. Very simple everyday life principles. By KDGI found this book touched on lots of basic and at times known common sense principles. It is based on a strong moral, cultural and

family based system of principles. I have even noticed areas of my life which I will start to make changes, especially looking at things in a positive light and distancing from negative influences. I have not amassed wealth yet, but I am in a better frame of mind to start. 0 of 0 people found the following review helpful. Good practical advice on Managing your personal success By Stephan De Villiers Good book with practical advice. Definitely? not a quick read, but worth it. 2 of 3 people found the following review helpful. I was pleasantly surprised By Daniel Kuhlman I have read enough of this genre to realize that there really aren't any dramatically new ideas out there. However, how you can apply it to your life is a matter of how simply the author puts the concepts. He makes it super simple and actionable rather than thick and difficult to implement. I especially like the summary at the end of each chapter. Thanks Richard on a job well done.

In *Succeed for Yourself*, Richard Denny shows how you can transform your individual dream of success into reality. Crammed with common-sense advice and inspiring ideas, *Succeed for Yourself* will take you on a journey of self-discovery that will help you seize your self-belief, set goals and achieve them, overcome setbacks and rejection, become highly motivated and find happiness at home and at work. Richard Denny believes that everybody has the potential within them for achieving success, wealth and happiness. The power of his message resonates with people from all walks of life, and *Succeed for Yourself* gives you the opportunity to put his ideas into practice.
