Horowitz I recommend reading *Success on Your Own Terms* because James does a great job of articulating business issues and relating them to your personal life. I always try to take a few things away from books like this and the way this book is organized allows you to capture many important details. It is well written and organized in a fashion that allows you to do this successfully. This is one of the more motivating books I have read and encourage anyone who has an entrepreneurial mindset to read this book. It is a quick read that you will find yourself bookmarking often and going back to for ideas for personal and business issues. 3 of 3 people found the following review helpful. Easy Read and Inspiring! By meejamb "Success on Your Own Terms" is a very simple and easy to follow career inspiring book. James talks about his deliberate and focused attention to his career ladder and how he methodically follows through them. This book is very inspiring in a very fundamental way that says self-discipline, focus, attention to detail and motivation can take help progress through the professional society and career path. James also shares about his challenges as a normal individual and how he doesn't let loose of his focus from those distractions. One of my take away from his book is the meticulous tracking and follow through in building a professional network and I see it works. 1 of 1 people found the following review helpful. This ought to be required reading in school... By Gina Fair It has been a long time since a book captured my attention, James Rosseau Sr.'s book has done that for me. The principles he passionately shares along with the transparency of his personal experiences helps you feel the importance of each promise. He helps you understand that when you are clear about the connection between your passion and purpose you can begin to take action to progress. I wish this book was available to me when I was still in school as early as 5th grade; the principles speaks to all ages and gives us a way to live a life of responsibility regardless of our current circumstance. Our society needs hope, now more than ever. Learning the skills to become your own CEO in all aspects of your life will reap a harvest of an abundant and hopeful life; I believe the content of this book will help you achieve that and more.

Create the life you want and custom-tailor your career with innovation-sparking tools and techniques from a business leader with authentic passion. It's up to you to define success your way. But how? Combine your burning passion with drive, determination, strategy, and commitment to pay it forward; find and nurture mentor support; stay steady on your path; and see the fireworks. *Success on Your Own Terms* will show you exactly how to: Shift from drift to embrace your passion; Promise with purpose; Make networking work; Change your life; and the lives of others; for the better. A business powerhouse who has engineered countless successful partnerships and served companies including Allstate and JPMorgan Chase Co.; and followed his own artistic journey as a hip-hop musician and entrepreneur; James B. Rosseau Sr. shares his own story, from the neighborhoods of North Philadelphia to the executive boardrooms of Fortune 100 companies, and offers a lifeline for those who want to find true, meaningful success. "The message to the next generation of leaders needs to be 'embrace your passion.' This needs to be reinforced; in business and life. James Rosseau is on it." (Mark Berman, president, Mallett Group)

About the Author James B. Rosseau, Sr.--senior business leader and author--and "Trig"--Christian hip-hop artist, producer, and media owner--are the same person. Team-builder, alliance-creator, mentor, teacher, coach, master strategist, and author, Rosseau redefines achieving success with passion. A former executive with Allstate and JPMorgan--both Fortune 100 companies--he is currently president of LegalShield Solutions, as well as co-owner of Christian Media Properties (HolyCulture.net) and overseer of Corelinkradio.com, a 24/7 Christian urban music channel. He previously hosted one of the top five Christian hip-hop radio programs.
