**BusinessNews Publishing : Summary: All I Really Need to Know in Business I Learned at Microsoft: Review and Analysis of Bick's Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Summary: All I Really Need to Know in Business I Learned at Microsoft: Review and Analysis of Bick's Book:

The must-read summary of Julie Bick's book: "All I Really Need to Know in Business I Learned at Microsoft: Insider Strategies to Help You Succeed". This complete summary of the ideas from Julie Bick's book "All I Really Need To Know In Business I Learned At Microsoft" shows that Microsoft is one of the most successful companies in the world, and is often considered to be a shining example of a business that is able to change quickly and effectively to accommodate shifts in the market. The intense, dynamic working environment is filled with highly motivated and hard-working individuals, making it a superb place to learn strong management skills. This summary highlights the experience of Julie Bick as a senior product manager for Microsoft, and brings Microsoft's management strategies under the microscope to identify what works and what doesn't. The author outlines all she has learnt on running a business, being a good manager, being a strong communicator and managing a career — all lessons learnt at Microsoft. Each section is broken down into simple and actionable lessons, from how to give constructive feedback to always keeping an up-to-date resume. Whilst an experienced manager might find this summary a little obvious, it is certainly a good starting point for an aspiring or less experienced manager, or someone in the early stages of their career.

Added-value of this summary:

- Save time
- Understand key concepts
- Increase your business knowledge
