**From Asian Development Bank : Summary of ADB Financial Instruments and Approval Procedures (ESA SP)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Summary of ADB Financial Instruments and Approval Procedures (ESA SP):

This booklet provides an overview of the financial instruments used by the Asian Development Bank (ADB) and

outlines the approval procedures for ADB financial operations. It gathers information from the Operations Manual, the Project Administration Instructions, the Revision of the Summary Procedure, and various documents to provide a quick guide on the approval processes for each ADB financial instrument.
