The must-read summary of Jeff Sutherland's book: "Scrum: The Art of Doing Twice the Work in Half the Time". This complete summary of the ideas from Jeff Sutherland's book "Scrum" shows how the conventional way of doing product development is broken and introduces a new method - SCRUM. Rather than sticking to a top-down,

prescriptive approach, the SCRUM method is adaptive and evolutionary, giving you a new and improved way to do projects. The author explains the inspiration behind the SCRUM method and how to apply it to your business most effectively. Learn how to save time, work efficiently and stay organised with this concise summary. Added-value of this summary: Save time; Understand the key concepts; Increase your business knowledge To learn more, read "Scrum" and discover how to develop projects more efficiently, saving you time and money.
