The must-read summary of Tom Hopkins' book: "The Official Guide to Success: A Personal Success Program". This complete summary of the ideas from Tom Hopkins' book "The Official Guide to Success" shows how everyone lives

by a set of programmed self-instructions. The real effectiveness of these occurs when they move from your conscious to your subconscious. In his book, the author explains that you can either live by a random set of instructions that have been put into your life by chance or you can take control and program yourself for success. This summary reveals how you can develop a system of deliberately chosen self-instructions, gain control over your future and achieve anything you want. Added-value of this summary:

- Save time
- Understand key concepts
- Expand your business knowledge

 To learn more, read "The Official Guide to Success" and discover how you can take control of your fate and effectively achieve success.
