13 of 17 people found the following review helpful. First RateBy HeadhunterTake the amazing journey into the unique land of Lynn Taylor's - you'll enjoy the jungle ride into an original landscape, complete with familiar signposts. Instead of the usual mundane, plodding, self-help books, try on Taylor's hilarious perspective of workplace dynamics and how to deal with them successfully. Taylor has an original intelligence which she applies here to the business world in Taming Your Terrible Office Tyrant; adeptly using humor, grace, warmth, and situational street smart recipes which actually work.Recommended highly to all strata of the corporate world, to anyone dealing with complex interpersonal relationships, or for plain laugh out loud entertainment. It's no accident that Taylor's recognized as a top workplace consultant. Read this book for innovative and highly creative techniques to navigate through the maze of life and business unscathed.2 of 4 people found the following review helpful. Four StarsBy Louise2000Excellent book to understand why people behave badly.2 of 4 people found the following review helpful. Four StarsBy DAVID SPONSELstraight talk common sense

An indispensable guide to dealing with challenging, childish boss behavior and building a great career, with laugh-out-loud humor built in. Based on extensive interviews among workers, managers and psychologists, Tame Your Terrible Office Tyranttrade; draws hilarious but true parallels between toddlers and managers. When under stress, both often have trouble moderating their power, or lose the ability to think rationally. Traits in common include tantrum-throwing, demanding, stubborn, moody, fickle, self-centered, needy and whiny behavior. BADD (Boss Attention Deficit Disorder) is discussed as part of "Short Attention Spans." There are 20 chapter traits in all, divided into "Bratty" and "Little Lost Lamb" categories, for easy reference, including real anecdotes and many useful tips. When bad bosses run amok in companies, nobody wins. This book shows readers how to build positive relationships with even the most out-of-control boss, and still thrive in your job. The key to success lies in dealing with a Terrible Office Tyrant (or TOTtrade;) much like a parent deals with a troublesome toddler. With true stories and time-tested solutions, this is the perfect guide managing a boss stuck in his Terrible Twos. Taylor takes you behind all the bossy blustering, so that you can focus on getting ahead and achieve career excellence. Savvy top management will also gain insight on what not to do with their team. They know that Terrible Office Tyrant (TOT) managers may not be in plain sight (they don't leave juice stains on the hallway carpet!) But they do wreak havoc on the bottom line. A special section helps senior management and Human Resource departments mitigate TOT behavior for a more productive workplace.

"Exceptionally helpful new book...excellent tips." mdash; - JOYCE LAIN KENNEDY, national career columnist, Tribune Media Services, author of multiple career bestsellers, including Resumes For Dummies. "Every firm will want to ensure that they are not a TOT incubator!" mdash; SABEER BHATIA, cofounder of Hotmail, visionary, developer of the "Silicon Valley of India" "Lynn Taylor helps you decode your boss...what barbs mean and how to deflect them." mdash;MARIE CLAIRE "A savvy work read." mdash; MORE MAGAZINE "Useful to many who feel trapped dealing with bad upper management." mdash; VIV MAGAZINE "Insightful and practicalhellip;for anyone (and that means everyone) with a boss." mdash; ROBIN KOVAL, bestselling coauthor of The Power of Nice The Power of Small "Nobody understands the psychodynamics of workplace relationships like Lynn Taylor." mdash;DAPHNE ROSE KINGMA, bestselling author of ten relationship books, 6-time Oprah guest "The advice in Taylor's book is preferable to going on the hunt for another job, except as a last resort." mdash; COLLEGERECRUITER "Well-researched and thought-outhellip;Being able to identify behaviors and their triggers, and use of Taylor's coping strategies, will increase productivity and bring out the best in every employee mdash; from the top down." mdash; NEWSHAWKFrom the Inside FlapDo you have a boss who acts like a demanding, stubborn, fickle, distracted, or needy child or engages in bullying tantrums, micro-management, mood swings, or endless whining? We all have to deal with imperfect bosses. Unfortunately, some of us have to deal with bad bosses whomdash;if you aren't carefuldash;can sink your career along with their own. In Tame Your Terrible Office Tyrant (TOT), Lynn Taylor gives you practical, real-world tactics for dealing with childish boss behavior without sacrificing your principles or exacerbating office strife. Wielding truth wrapped in hilarity, Taylor takes you behind the bossy blustering so that you can achieve your goalsdash;and career excellence. Bosses will also benefit from this guide to gain insight on what not to do with their teams. If you are a CEO, you know instinctively that Terrible Office Tyrants (TOTs) wreak havoc in your company, harming the bottom line. A special section will help you stop TOT behavior in its tracksdash;for a more humanized, productive workplace. Like you, Taylor knows childish behavior when she sees it. In fact, bad bosses and kids who act out have plenty in common. But tirades, moodiness, and demanding behavior don't have to ruin your workday. In Tame Your Terrible Office Tyrant (TOT), Taylor shows you how to build positive relationships with even the most out-of-control boss and thrive in your job. The key to success lies in dealing with a TOT much like a parent deals with a troublesome toddler. No matter what kind of TOT you face each day, Taylor profiles them all heredash;from brats to little lost lambsdash;and shows you how to successfully manage their behavior for the sake of your career and your sanity. Based on extensive interviews and in-depth research, this indispensable guide demonstrates that with the right approach, you can tame your TOT.From the Back CoverPraise For Tame Your

Terrible Office Tyrant "Nobody understands the psychodynamics of workplace relationships like Lynn Taylor. With uncanny insight and laugh-out-loud humor, this gem will help you realize that you're not alone. Now you can take back emotional control and be unstoppable in your career success!" mdash;Daphne Rose Kingma, relationship expert, six-time Oprah guest, bestselling author of ten books, including Loving Yourself "CEOs, managers, and employees who read Lynn Taylor's eye-opening, clever book will want to take immediate steps to better channel human behavior and create a more vibrant, productive workplace.
