Emma King : The Best-Dressed Knitted Bears: Dozens of patterns for teddy bears, bear costumes and accessories before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Best-Dressed Knitted Bears: Dozens of patterns for teddy bears, bear costumes and accessories:

4 of 4 people found the following review helpful. Great ideas, adorable, but missing a few things By Patricia J. Barrett I would have given this 5 stars, if not for the errors in the book. They're easy enough for someone who's been knitting for a while to see and correct, but could be frustrating for a beginner. I also wish the outfits had included instructions to make them fit all three sizes of bear. You *can* improvise with yarn weights and needle sizes, but it would have been nice to have different stitch counts to size them up. That said, I do really enjoy this book and am glad I bought it. It is FULL of patterns for different sizes and difficulties of bear patterns. That and the number (and cuteness!) of the outfit patterns make the book a great buy. Even the non-knitters I know have enjoyed flipping through the book and looking at the pictures. 0 of 0 people found the following review helpful. Excellent By B.Boon I have been having so much fun knitting projects from this book that I forgot to review it! There are bears for various skill levels, from a simple bear that even a novice could make, up to fairly complex creations requiring more skill and patience. The clothes are cute and easy to make. I would recommend this book to anyone who wants to knit bears and their clothes. 8 of 8 people found the following review helpful. Cute bears and patterns By Megan M Very cute bears and bear clothing. There are three sizes of bears and clothing to knit for them. The patterns are written for knitting on straight needles.

Many could be easily knit in the round to avoid all the seams. Also, the clothing patterns are written only for one size bear. You must adapt them yourself if for instance you want the ballerina costume for the large bear. My daughters will be getting these bears under the Christmas tree this year.

The Best-Dressed Knitted Bears is for teddy bear lovers and keen knitters alike, of all ages. Knitting small toys is an absorbing and addictive hobby and homemade teddies have a special charm all of their own. The Best-Dressed Knitted Bears boasts 6 gorgeous knitted teddy bears, ranging in height from 8;16 inches.

About the Author EMMA KING is a knitwear designer with a passion for color and texture. She is a design consultant for Rowan Yarns, and is the author of several knitting books.
