The Carrot Chaser is a thrilling, heartwarming story of how to follow God in a busy world. Matthew Swift is a young, brash, and arrogant executive who seems to have it all. His image graces the covers of all the top business magazines. He's got money, power, and of course, lots of toys. But when Matthew's unscrupulous business practices and his disregard for the people around him finally catch up with him, his world comes crashing down. In this inspirational business fable, Matthew finds true love and discovers four keys to real success—keys that you can use in your own life.
