Very practical to absorb even for the beginner in this field. Also filled with good explanations on financing.0 of 0 people found the following review

helpful. Great book for beginner rental investorBy SuGreat book for beginner rental investor. It covers all areas that is important without going into expert detail.This is for investor with less than 5 years of rental properties experience. Though if you have more than 5 years of experience, this book is great source of references and refresher.1 of 1 people found the following review helpful. Great ReadBy cobbercb3Bought this book as I began my rental property search. Found it to be really informative about things to do and things to avoid. Great for a beginning real estate investor.
