From Asian Development Bank : The Cook Islands: Stronger Investment Climate for Sustainable Growth (Country Sector and Thematic Assessments) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Cook Islands: Stronger Investment Climate for Sustainable Growth (Country Sector and Thematic Assessments):

The Cook Islands is among the best performing Pacific island economies, with many structures in place that support private sector investment, including an internationally competitive tax regime, an open trade regime, and good

standards of education and health care. Future prospects are positive due to the growing tourism sector, and potential resource revenues from seabed minerals prospecting activities are another favorable development. The Government of the Cook Islands is committed to pursuing sustainable development through private-sector-led growth. Yet, the Cook Islands faces significant challenges in realizing its full potential, including a sluggish business entry process that discourages foreign investment, inadequate infrastructure that threatens to degrade the natural environment, complex land ownership and inadequate land use planning processes, and a weak collateral framework.
