...there is some great stuff in this book — good ideas, pithy quotes and punchy one-liners which invite you to write them down and recall them at the appropriate time. (Edge, May 2007) From the Inside Flap It's Monday morning and George walks out of the front door to his car and a flat tire. But this is the least of his problems. His home life is in shambles and his team at work is in disarray. With a big new product launch coming in two weeks for the NRG-2000, he has to find a way to get it together or risk losing his marriage and job. Forced to take the bus to work, George meets a unique kind of bus driver and an interesting cast of characters who, over the course of two weeks, share the ten rules for the ride of his life. In the process, they help him turn around his work and life, saving his job and marriage from destruction. The Energy Bus, an international bestseller, takes readers on an enlightening and inspiring ride that reveals ten secrets for approaching life and work with the kind of positive, forward thinking that leads to true accomplishment — at work and at home. Everyone faces challenges. And every person, organization, company, and team has to overcome negativity and adversity to define themselves and create their success. No one goes through life untested and the answer to these tests is positive energy — the kind of positive energy that consists of the vision, trust, optimism, enthusiasm, purpose, and spirit that defines great leaders and their dreams. Drawing upon his experience and work with thousands of leaders, sales professionals, teams, nonprofit organizations, schools, and athletes, Gordon infuses this engaging story with keen insights, actionable strategies, and a big dose of positive infectious energy. For managers and team leaders or anyone looking to turn negative energy into positive achievement, The Energy Bus provides a powerful plan for overcoming common life and work obstacles and bringing out the best in yourself and your team. I especially loved the part about leading with purpose. I consider this a valuable book for anyone looking to bring out the best in themselves and their team." — Tom Gegax, founder of Tires Plus "Purpose, vision, enthusiasm, and spirit are all critical elements for individual and team success. The Energy Bus does a masterful job of weaving together these principles to create a dynamic and entertaining read that will infuse you and your team with positive energy. Get on the bus and enjoy the ride." — Pat Williams, Senior Vice President of the NBA's Orlando Magic "The world would be a much better place if we all focused on being positive. Gordon is 'the Pastor of Positive Energy' and I'm one of his believers." — Danny Gans, Las Vegas Entertainer of the Year "Gordon so inspired our sales professionals with his positive energy that they were asking for more. Now, here is his philosophy in a book we can read and quote — and we will!" — Linda H. Sherrer, President and CEO of Prudential Network Realty
