K. H. Spencer Pickett : The Essential Handbook of Internal Auditing before purchasing it in order to gage whether or not it would be worth my time, and all praised The Essential Handbook of Internal Auditing:

The Essential Handbook of Internal Auditing is a condensed version of the second edition of the highly successful 'Internal Auditing Handbook'. It shows the reader how to understand the audit context and how this

context fits into the wider corporate agenda. The new context is set firmly within the corporate governance, risk management and internal control arena. In addition to the author's own views of the auditor's role, the reader is provided with a range of professional standards and guidance that provides a valuable source of various key issues and developments. K H Spencer Pickett has also developed many helpful models and checklists that provide a short cut to understanding the work and coverage of internal auditing. nbsp;

From the Back CoverThe Essential Handbook of Internal Auditing is a condensed version of the second edition of the highly successful and market-leading Internal Auditing Handbook. The Essential Handbook of Internal Auditing provides students with a comprehensive guide to the theory and practice of internal auditing, and incorporates the real life experiences of the audit practitioner. **Key Features** Spencer Pickett has developed an international reputation as one of the leading authors on internal auditing. A strong international dimension with coverage of key developments in audit, governance, risk management and internal control from around the world. Coverage of the new definition of internal audit issued by the Institute of Internal Auditors (IIA). Updated with significant recent changes in the practice of internal auditing. The key role of auditors in corporate governance is discussed and a new focus is provided on enterprise risk management. Includes an updated set of professional auditing standards, which places a greater emphasis on professionalism. **About the Author**K.H. Spencer Pickett is a course director at CPMS, in Ascot, Berkshire, where he is responsible for training programmes on internal audit, corporate governance and risk management. Spencer is a member of the Chartered Association of Certified Accountants, Institute of Internal Auditors, Certified Fraud Examiners and Chartered Institute of Personnel and Development.
