Michele Cagan : The Everything Accounting Book: Balance Your Budget, Manage Your Cash Flow, And Keep Your Books in the Black (Everything®) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Everything Accounting Book: Balance Your Budget, Manage Your Cash Flow, And Keep Your Books in the Black (Everything®):

1 of 1 people found the following review helpful. Excellent but not in Kindle version
By Shirley Fields
The book is well written, but the examples do not translate over in the kindle edition. I had first checked this out in the library and then wanted a copy for myself to reference or brush up on my accounting skills. I was very dissapointed in the formatting, but it still got the job done. I still would recommend it for anyone wanting to brush up on thier accounting or for a person wanting to start a business.
